5. Update from Rope Skipping Canada

Julianna Bourne shared that there were several specific requests to RSC. However, there were no other real updates that need to be shared with the RSA Board at this time.

Tannis Coen will reach out to Stacy Messner to see if she is still interested in being on the RSC Awards Committee.

6. 2024-25 Competition Updates

Autumn Nездoly will share the location of Provincials with all club contacts. Nicola Eleniak shared that there are 107 registered athletes, as such it will be a full competition. If the gym is large enough, the RSA Competition Committee would like to run Provincials with two floors. They would be run back-to-back. At this point, we only have enough judges to run one table per floor. There are a few clubs with no judges registered. With the current number of judges, we can only have 4 stations for speed. There will be a 55+ category at Provincials.

A lengthy discussion was held around continuing to award Team Overalls, as there are a lack of teams registering as such. This year, Team Overalls will continue to be awarded. This will take place after the Award Ceremony as there are only two teams registered as Team Overall this year. They will both get first place in their divisions.

7. Volunteer and Judge Policy Update

Asia Nездoly, Autumn Nездoly, and Wayne Broughton will work towards creating a new policy with a calculator for the number of judges/volunteers needed.

8. Promotional Materials Update

Gudrun Schulze Ebbinghoff shared that Che Stanchfield is no longer able to coordinate with Kanopi.

9. Minimum Standards at RSA Events

Wayne Broughton shared an idea to create a baselevel skill level allowed to compete at RSA Events. There was lengthy discussion about this. However, it was determined that RSA is not ready to set any baselines.
